If a wildfire approaches...

- Park your vehicle facing out. Put valuables in the car. Keep car keys accessible.
- Secure Pets. Prepare them for transporting.
- Close shutters and drapes.
- Place a garden hose and buckets full of water around the house.
- Leave your electricity on and keep some inside lights on.
- Turn off gas at the meter or the propane tank.
- Dress in long pants, long-sleeved shirt, goggles or glasses, a bandana to cover your face and a baseball cap. 100% cotton clothing is best.

During evacuation:

- Have your checklist and map ready listing actions you will take prior to and during the evacuation.
- If you become trapped by fire while evacuating in your car, park in an area clear of vegetation, close all vehicle windows and vents, cover yourself with a blanket or jacket and lie on the floor.
- If you are trapped by fire evacuating on foot, lie face down in an area clear of vegetation or in a swimming pool or defensible structure.
